Manland Primary School is a supportive, caring community in which we encourage each other to achieve our potential in everything that we do.

Aims and Objectives of this Policy

1. DFE guidance reminds schools that a behaviour policy should include measures which:
 - a. Promote good behaviour, self-discipline and respect
 - b. Prevent bullying
 - c. Ensure that pupils complete assigned work and which
 - d. Regulate the conduct of pupils
2. In order to achieve these goals, it is a primary aim of our school that every member of the school community feels valued and respected, and that each person is treated fairly. We are a caring community, whose values are built on mutual trust and respect for all. The school behaviour policy is therefore designed to support the way in which all members of the school can live and work together in a supportive way. It aims to promote an environment where everyone feels happy, safe and secure.
3. We aim to promote good relationships, so that people can work together with the common purpose of helping everyone to learn. This policy supports the school community in aiming to allow everyone to work together in an effective and considerate way.
4. This policy aims to help children to grow in a safe and secure environment, and to become positive, responsible and increasingly independent members of the school and wider community.
5. The school rewards good behaviour in line with our rewards and sanctions system defined below. This policy is designed to promote good behaviour, rather than merely deter anti-social behaviour.

We aim to enable young people to respond positively to opportunities, challenges and responsibilities and to cope with change and adversity.

Promoting Positive Behaviours through ‘The Manland Values’

Manland aim to teach pupils good behaviour through: -

1. a strong ethos built upon the Manland and British values
2. having high expectations
3. mutual respect between pupils and between staff and pupils
4. PHSE lessons where appropriate and inappropriate behaviour is discussed in circle times

The teaching, learning, reinforcement and modelling of the Manland values set out below aim to promote positive behaviours:

- Care
- Friendship
- Honesty
- Manners
- Patience
- Positivity
- Respect
- Responsibility

These sets of principles are based on the British values of:

- Democracy
- The rule of law
- Individual liberty
- Mutual respect
- Tolerance of those of different faiths and beliefs

Our approach recognises that effective behaviour management is essential to the smooth running of the school. The behaviour of pupils is the shared responsibility of the children themselves, parents/ carers and members of staff.

All children have the right to be kept safe; to a good quality education; and an education that helps them use and develop their talents and abilities. It should also help children to learn to live peacefully, protect the environment and respect other people.

Home-School Agreement

It is essential that home and school work closely together to promote positive behaviours. As such we have a home-school agreement where children, parents and the school agree to a set of rules that promote positive behaviours.

Bullying and Harassment

1. Bullying and harassment is action taken by one or more children with the deliberate intention of hurting another child, either physically or emotionally.
2. Bullying and harassment is wrong and damages individual children. We therefore do all we can to prevent it, by developing a school ethos in which bullying is regarded as unacceptable.
3. Peer on peer abuse is defined as when a young person is exploited, bullied and / or harmed by their peers who are the same or similar age; everyone directly involved in peer on peer abuse is under the age of 18. We aim to minimise the risk of peer on peer abuse and follow the appropriate procedures in dealing with such incidents (please refer to our Child Protection and Anti-Bullying Policies).
4. We aim, as a school, to produce a safe and secure environment where all can learn without anxiety.

This policy should be read in conjunction with the school's Anti Bullying Policy.

Children with Special Educational Needs and Disabilities (SEND)

This policy and its implementation are aimed at the majority of pupils within our school. However, where a child has a special educational need or disability this may have an impact upon their behaviours and in these circumstances the school may make reasonable adjustments to practices and/or deviate from policy to support their needs.

For further information about our policy and practices for children with a SEND, please refer to our SEND Policy.

Hertfordshire STEPs Method

Manland School follow the Hertfordshire Steps method of behaviour management. This is 'a positive approach to behaviour management which is grounded on sound evidence-based practice. It offers consistency across all education phases and settings and is the preferred approach of the local authority'. The staff at Manland receive regular training which supports this behaviour management strategy.

Our reward system is based around the importance of the teaching of appropriate behaviours so that children become independent in managing their own behaviours. However, where a child's behaviours are inappropriate there are clear and consistent consequences (not punishments) that are appropriate for that behaviour.

Manland Consequences for inappropriate behaviours

When things go wrong: negative behaviour and consequences

At Manland we have high expectations for children’s behaviours. It is equally important to have a clear set of consequences in place for when pupils do not behave at the expected high standard. These are:

| Consequence 1 | |
|--|---|
| <p>A first incident of low-level infringement of school rules e.g.</p> <ul style="list-style-type: none"> • not listening: making excessive noise, interrupting • lying • damaging or not caring for property: littering, misusing school equipment • not working hard: producing sub-standard work or working without application • preventing others from working - calling out, distracting • being unkind • not being gentle: pushing when lining up • not helping: running in school, not sharing with clearing up | <ul style="list-style-type: none"> • A verbal/visual warning • Asked to apologise • Re-doing or completing work in own time • Conversation with an adult |
| Consequence 2: “after warning” | |
| <p>A repetition of a low-level infringement of the school rules, having already received a warning, so continuing to do what a pupil has already been asked to stop e.g.</p> <ul style="list-style-type: none"> • not listening • lying • damaging or not caring for property • not working hard • being unkind • hurting someone • being unhelpful <p>Or a more significant negative behaviour which could be one-off e.g.</p> <ul style="list-style-type: none"> • being unnecessarily rough e.g. pushing, hitting, biting • cheating • throwing objects • thoughtless, unintentionally hurtful, use of racist language • swearing <p>N.B This is not an exhaustive list</p> | <ul style="list-style-type: none"> • Time out • Time provided after class to talk about problem with parents/carers and member of school staff • Move within class • Loss of all/ part of break time • Write a sorry letter • Walk with adult on duty in playground • Conversation with a Senior Leader • Phone call to parent/carer at the end of a school day <p>NB. These consequences are to be used at the adult’s discretion. Please note consequences should happen as soon after event as possible.</p> |

Consequence 3

Persistent repeated, or significant, infringement of the school rules, including behaving in a way:

- that prevents others from learning, including persistent refusal to follow instructions in class
- that is unsafe e.g. fighting, walking out of the school premises
- that causes upset to other members of the school community e.g. using inappropriate language, serious name-calling
- that causes minor damage to property e.g. deliberately breaking a ruler, minor graffiti that causes offence e.g. deliberate use of racist language

N.B This is **not** an exhaustive list

- Where there have been persistent behavioural issues or behaviours which pose a risk to the child themselves or others the Inclusion Leader will work with the child, parent/carer and teacher to implement a Behaviour Risk Plan. This plan aims to support a pupil's behaviours by identifying and tracking any common patterns/triggers and trying to pre-empt and support these. These plans may make provision for a 'safe place' for pupils to retreat to, offer additional incentives for positive behaviours and give staff tailored behaviour management strategies on a needs basis. This may include the introduction of a behavioural log for school purposes only.
- In some instances, with the consent of parents/carers, external behavioural agency support e.g. LINKs team, may be sought
- There may be a complete loss of break or lunchtime
- School to communicate with parents/carers through phone call or letter

NB. Please note consequences are to be used at the teacher's discretion and should happen as soon after event as possible and not continue into the next day.

In line with the STEPs behaviour management strategy, Manland staff use techniques to de-escalate a situation before a crisis occurs and, where a crisis does occur, it adopts techniques to reduce the risk of harm.

| Consequence 4: Senior teacher involvement (Head Teacher, Deputy, Inclusion Leader) | |
|---|--|
| <p>Incidents resulting in an internal exclusion may be serious “one-off” incidents without a need to progress through the lower-level consequences. Depending on severity, they might also lead to an exclusion. Examples are:</p> <ul style="list-style-type: none"> • Dangerous or abusive behaviour • Highly disruptive behaviour, or persistent and repeated disruption to learning • Repeated bullying, threatening or racist behaviour • Verbal or physical aggression • Deliberate and significant damage to property • Misuse of the internet • Assault on another child/adult • Deliberately causing injury • Use of foul or abusive language • Previous consequences having little effect/ persistent misbehaviour • Defiance • Peer on Peer abuse <p>N.B This is not an exhaustive list</p> | <ul style="list-style-type: none"> • Internal exclusion: this means either part of, or the whole day spent out of class, including at break and lunchtime, with individual supervised learning activities • Meeting with parents (Phase leader, Deputy head or head teacher) • Pastoral support plan • Consequences in this tier may vary depending on the situation/circumstance and are at the discretion of the Head Teacher, Deputy or Inclusion Leader <p>NB. Please note consequences are to be used at the teacher’s discretion and should happen as soon after event as possible and not continue into the next day.</p> |

Consequence 5: Headteacher, or Deputy Headteacher in her absence

Exclusions may only be given by the Head Teacher or the Deputy in her absence. Exclusions are given for serious misbehaviour, either for a one-off serious offence or for prolonged serious misbehaviour. Exclusions may be fixed term, or in extreme cases, permanent. Behaviours leading to a fixed term or permanent exclusion are:

- Extreme incidents of violence or bullying
- Deliberate violent behaviour towards a member of school community
- Threatening behaviour
- Any behaviour that endangers others
- Possession of an offensive weapon
- Persistent racial harassment
- Deliberate and significant damage of school property
- Theft
- Swearing or offensive language
- Persistent refusal to follow instructions in a way that comprises safety
- Any incident where police would be involved if it occurred outside of school
- Cyber bullying or serious misuse of social media
- Any other incident that the head teacher considers a serious breach pupil conduct
- Peer on Peer abuse

N.B This is **not** an exhaustive list

- Fixed term or permanent exclusion
- Consequences in this tier may vary depending on the situation/circumstance and are at the discretion of the Head Teacher or Deputy

NB. Please note consequences are to be used at the teacher's discretion and should happen as soon after event as possible and not continue into the next day.

Any incidents of racist or discriminative behaviour reported must be documented and escalated to the Head or Deputy teacher. Please refer to our Anti-Bullying and Race and Equality Policies for more information and the relevant documentation.

Please note that in the following circumstances a restrictive physical intervention may result:-

- To prevent a pupil from committing a criminal offence (this applies even if they are below the age of criminal responsibility)
- To prevent a pupil from injuring self or others
- To prevent or stop a pupil from causing serious damage to property that if a child is at risk of physical harm or posing a risk to others then a physical intervention may take place to keep pupils and adults safe.

Restrictive physical interventions will only be implemented in the most extreme cases and using the agreed strategies to keep the pupil in question safe. For further information please refer to our Restrictive Physical Intervention Policy.

Outside School Premises

Manland has high expectations for pupil's behaviours both in and outside of school premises. In line with DfE guidance (Behaviour and Discipline in Schools 2016), in cases where a pupil's behaviour impacts the school in any way, the school will work with

parents/carers and the pupil themselves to address the issue and follow the same principles laid out in this policy.

Fixed-term and permanent exclusions

1. Only the Head Teacher (or the acting Head Teacher) has the power to exclude a pupil from school. The Head Teacher should refer to the most up to date guidance in relation to exclusions and use the online reporting format.
2. If the Head Teacher excludes a pupil, s/he informs the parents/carers immediately, giving reasons for the exclusion. At the same time, the Head Teacher makes it clear to the parents/carers that they can, if they wish, appeal against the decision to the governing body. The school informs the parents/carers how to make such an appeal.
3. The Head Teacher informs the LA and the governing body about any fixed term or permanent exclusion.
4. The governing body itself cannot either exclude a pupil or extend the exclusion made by the Head Teacher.
5. The governing body has a discipline committee, which is made up of between three and five members. This committee considers any exclusion appeals on behalf of the governors.
6. When an appeal panel meets to consider an exclusion, they consider the circumstances in which the pupil was excluded, consider any representation by parents and the LA and consider whether the pupil should be reinstated.

If the governors' appeals panel decided that a pupil should be reinstated, the Headteacher must comply with this ruling.

For further information please refer to our Exclusion Policy.

Exceptional Circumstances

When routine behaviour management strategies are not successful, the following routes may be taken, appropriate to individual needs.

- In discussion with the Head, Deputy or Inclusion Leader, pupils can be referred to outside agencies which may include a referral to CAMHS, LINKS (Behavioural Team) or the Educational Psychology Service.
- Internal exclusion/exclusion can be used.
- Pupils may need Pastoral Support Plan
- Staff will be made aware of appropriate strategies to manage extreme behaviour of individual pupils.

Parents/ carers will be involved at all stages. Parenting classes are also offered as a means to support parents.

Monitoring and Evaluating

The effectiveness of this policy will be regularly monitored by the leadership team and Governing Body. The behaviour management leader will feed back to the Governing Body data concerning behaviour.
