

DSPL7 is conducting a survey to further understand the views and opinions of parents/carers living with a child attending an educational setting within our local area (St Albans, Harpenden and Villages).

We would be so grateful if you would kindly forward **this link below** to parents in your setting - it is a short survey that should only take a few minutes to complete.

<https://www.surveymonkey.co.uk/r/2RYY5ZG>

We very much appreciate your help - thank you
Janet McPherson
