## Summer fete is today

Our mini summer is today after school between 3.15pm and 5.00pm and we have lots to look forward to. Activities will include lucky dip, hook a duck, sweetie tombola, beat the goalie, play your cards right, adopt a teddy and the human fruit machine

You can then refuel with sausages (including vegetarian and gluten free) in buns, ice cream and cakes.

## Sun shines on district sports

Thanks to everybody who helped out at District Sports on Tuesday evening. With the sun beating down the bar was a sell out, so it was well worth the effort.

## One week before Festival on the Field

Festival on the Field is on Saturday 7<sup>th</sup> July and will be headlined by Yellow, a Coldplay tribute act. With seven studio albums behind them, Coldplay are one of the most successful bands of all time. They closed London's Paralympic games in 2012 and went out to a worldwide audience of over 100 million.

Yellow have mastered the reproduction of Coldplay's slightly haunting sound and have spent a huge amount of time working out, then recreating, the iconic songs and sounds of the original group across their musical career. As a result, they are the top Coldplay cover act.
