

MANLAND HSA NEWSLETTER

THANK YOU,

I can't say it enough, we have a fantastic school, great kids, and really amazing bunch of parents.

It has been a cold start to the year, which has made the hot chocolates on a Friday very welcome 😊 You may have also seen a number of new helpers, which has been incredible. Thank you to all that are involved in organising, stock taking, making, and selling, it's amazing the income generated. A special thanks to Jodi and Dani for making it a success each week and to Shi who has made fresh batches of cupcakes which have been snapped up.

I also wish to shout out a thank you to all the parent helpers who give up some of their time to assist with school maintenance, there was a particularly gruelling one the other Sunday, but we managed to save the school a fair bit of money and now they can spend more money on the remodelling of a corner of the early years area where the sheds used to be. The next one is on **Saturday 25th February**, so if you have any time to spare, we can put you to good use.

On **Saturday 19th May**, we are hosting a **Summer Ball**. If the amount of effort and energy that has gone into the organising the night is anything to go by, it will be an absolute blast. Thank you to Hannah and Louise for making it happen. Tickets are limited, so purchase yours now on Classlist.

MANLAND HSA NEWSLETTER

Volunteers are what makes us work, I know we are always asking but it really does make a difference when we have enough volunteer to cover the events. Please keep an eye out for messages from the HSA reps as we will be needing help at the upcoming **DISCO** on **Friday 24th February!**

We have raised a fantastic sum of money so far this school year, which is a massive credit to us all. Due to rising expenses and other pressures, the school has been having to do some belt tightening, as have many families across the country. We have agreed to help in any way we can so we may not see as many tangible and visible HSA funded projects this year. Whatever happens, we will make sure that the money we raise goes to supporting the wellbeing and development of our children.

Finally, please note we will be holding our AGM soon with the date still to be confirmed but if you can please come along and ask any questions you may have.

Thank you for all your continued support.
