Oh what a night!

The first Manland Summer Ball, what a PARTY! A massive thank you to all who were involved and who attended, but all plaudits must go to Hannah Meller and Louise Smith for what was a night of pure party fun. Without question we have a new fixture in the calendar!

After a little quiet period in March we have kicked off the summer term with some excellent events. We are now entering our busy period, please take the time to put our upcoming events into your calendars so you don't miss out on all the fun!

For these events to run smoothly, we will need donations and volunteers. Please keep your eyes on Classlist and help in any way you can - your help will be appreciated and you might enjoy working with fellow volunteers.

As you are all well aware, we are a fantastic close knit, fun packed, family school and I am always so pleased to see so many people taking part. We hope to have some of the next year's reception class at the Summer Fete, so let's show them what we are all about and welcome them to the family.

I would also like to take a minute to point out that the school has created Amazon Book wish lists for each class. So if you are able to purchase a book for the school it would be gratefully received.

Let's all have a magic summer.
