

WELCOME TO A NEW SCHOOL YEAR!

Welcome

The HSA organises a variety of events around the school providing both children and parents with fun activities and social gatherings. In addition to building a community through these events and activities, we generate funds which help enrich the school. Last year we raised a whopping **£20,000**. The plan is to spend this on a few outdoor projects which we are in consultation with the school (details to follow).

Like last year, the school's budget will be tighter than ever so we need to step up and help where we can. To kick us off this year, we have several events which are always a highlight to the school calendar. This includes the infamous parents quiz, school disco, Rugby World Cup screening, Christmas Fete and wreath making session with Willow & Wild.

Running a charity is no small task, however I know that with the fantastic school community that surrounds Manland and its families we will make the coming year a happy one.

Finally, we are still looking for a Reception rep so if you are interested, then please let one of the team know as we will be happy to chat through what is required for the role.

If you have questions, ideas or just want to know more please email [**HSAManland@gmail.com**](mailto:HSAManland@gmail.com).

Let's have a great year!
