'Young Leaders Camps' School Years 3 to 6 – 'Technical Football Camps School Years 1 to 6

1. Young Leader Camps - Learn how to Coach!

The Young Leader Award is a great introduction into leadership giving boys and girls knowledge of how to organise and lead small games and activities that can be used as part of a community club or sports club session.

The award aims to help learners develop leadership skills such as

- organisation,
- communication
- teamwork,
- confidence and self-esteem

All boys and girls will receive a Leadership Journal which they can use to record what activities they have done during the course; what they have learnt, what they have enjoyed and what they found most challenging.

Certificates will be awarded by post once boys and girls have completed the core elements of the Young Leader Award and everyone will receive a Luton Town FC medal at the end of the course!

2. Technical Football Camps - Improve your soccer skills!

Each 2 hour session will be dedicated to a different specific technique training, where the main objective is still to have fun – but, to improve individual technical performance.

We'll be offering professional and fun technical training combined with speed, agility, quickness (SAQ) training for a full, action packed 2 hour session.

These specific courses will also offer the potential for progression within our youth development and academy system at the club and are for young players who want to improve their technical football skills.
