

Manland Primary School - Sports Premium 2019-2020

The Sports Premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. The government has committed to funding the primary school Sports Premium up until 2020. The funding we have received this year is

£17,743

Manland offers a wide variety of sports and activities for pupils of all ages. This is achieved through weekly PE lessons, a variety of clubs and a range of extra-curricular activities and trips.

During PE lessons, pupils learn a variety of skills and techniques, such as ball control, shooting, passing and defending. Many skills are transferable between the different sports that pupils focus on. In the autumn term for example, some year groups will be working on Tag Rugby, Games and Tennis. These will take place during their outdoor sessions. Indoor sessions are often gym or dance based. Lessons are differentiated, so all pupils can achieve, and more able pupils are given more challenging tasks. At the end of each block of lessons, pupils are assessed and this information is used for future planning.

Manland deploys specialised sport coaches and a sports Teaching Assistant to help coach pupils in their PE lessons and provide training and modelling for staff. This has proved to be highly successful. Teachers report that they have become more confident in their delivery of PE skills after working alongside our specialised staff.

The sports Teaching Assistant fulfils a very important role at Manland. She works closely with the PE subject leader making sure that the school is represented at HDSA sporting competitions. She ensures that all paperwork is in order, so that the pupils chosen to represent the school are fully prepared and ready for competition. Our PE Teaching Assistant also attends our sporting events.

Manland offer a variety of sports clubs, both at lunchtime and after school. These are run by the sports Teaching Assistant, outside agencies, sports coaches and Manland staff. We offer a wide variety of sports, which have a high level of attendance. The clubs are geared to specific year groups so all ages are catered for. There has been a marked uptake in the attendance at our sports clubs, which is due to the variety offered and the expertise of our sports Teaching Assistant in running clubs which lead to inter school competition.

Sports focussed lunchtime activities are provided for all pupils by the PE Teaching Assistant and sports coaches. Pupils are actively encouraged to join in. Year 6 pupils benefit from a half days' induction to play leading delivered by our PE Teaching Assistant. This gives them the confidence to work at lunchtime with the younger children. Our play leaders are rewarded termly with certificates of participation and are encouraged to continue throughout the school year, helping them to mature and gain confidence in preparation for secondary school.

Manland offers a range of extra-curricular activities which all classes take part in, such as mini sports festivals at our neighbouring school, visits to gymnastics displays and dance performances. Specific celebration sporting competitions are arranged for pupils in line with current sporting events. For example, Manland Football World Cup was arranged to coincide with the Football World Cup in 2018 and Manland Netball World Cup in 2019. Over 60 pupils took part from Year 3 through to Year 6, and medals were presented in assemblies to the winning teams with the result being engaging competitions between year groups and a raised awareness of sporting events outside of school.

Sports day is the culmination of a busy year of sports and activities. All pupils from Reception to Year 6 take part, in their house teams. There is a carousel of activities and then races to conclude the event. This is very well attended by parents and last year proved to be a very successful event. Pupils told us how much they enjoyed taking part.

Pupils participate in a wide range of physical activities throughout their schooling including:

Swimming (Year 3)

Gymnastics and Dance

Football, Tag Rugby, Hockey, Netball, Cricket, Athletics, Rounders and Tennis

Sports provision is offered after school by internal staff and external providers offering extra-curricular clubs.

Clubs include: Tennis, Football, Netball, Cross Country, Tag Rugby, Ball Skills, Hockey, Bench Ball, Rounders and Dance.

Pupils take part in the Change4Life initiative to encourage children to lead a healthier lifestyle and to become more active. A range of children from years 3 and 4 have been selected to take part.

Pupils in Years 1 to 5 take part in the SJL (local secondary school) Mini Sports Festival run by the young sports leaders.

They are introduced to a variety of different sports activities and competitions.

Manland celebrates Sports Relief week with a round of competitions, class challenges and fun themed PE lessons, encouraging children to take part in more sports.

Chance to Shine Cricket coaches will be working with classes across the school in the summer term, providing skills training for children and upskilling teachers and support staff in the teaching of cricket.

We are active members of the Harpenden and District Sports Association entering a number of events:

Cross country competition for Year 5 & 6 boys and girls

Girls' football tournament

Boys' football tournament

Tag-rugby festival for Year 5 & 6 boys and girls

District sports for Year 3-6 boys and girls

Year 5 & 6 girls' netball rally

Year 5 & 6 girls' and boys' rounders tournament

Year 5 & 6 Kwik Cricket competition for boys and girls

Year 1 Intra-sport multi-skills competition for boys and girls

PE Teaching within the Curriculum

- Skills have been mapped across the year groups using the Chris Quigley curriculum
- Teachers are teaching progressive skills across all areas within PE
- The school follow a scheme of work for Gym which was planned by a previous Gym teacher who up-skilled the teachers using Sports Premium Funding
- Mrs Booth (Sports TA) supports TAs, Teachers and Children with lessons and at lunchtime
- After school sports club at least 4 times a week
- New coaches are training children in hockey and football
- Regular inter-school competitions
- Links with local sports partnership and participation in inter-school events
- Action plan and monitoring cycle now in place for Subject Leader

Health and Fitness

- Play leaders support children during lunchtimes
- 'Golden Mile' new initiative supports healthy lifestyles
- Provision of extra-curricular sports clubs in order to engage the least active pupils

Through these actions, we expect the following impact:

- Increased uptake of sports clubs by pupils across the school
- Specialist teachers training children and staff
- Children's enrichment in PE is rich and they enjoy a wide range of sports
- Increased competence and confidence amongst staff in delivering PE in school
- Children to be more active during playtimes

Action/provision	When	Who	Cost	Planned impact 2019-20	Evaluation and Impact
Teacher to lead on Sports Premium	Leadership time	Across the whole school	Salary costs	Raise the profile of healthy lifestyles <ul style="list-style-type: none"> - Encourage healthy eating and active lifestyles - Link to Design and Technology and cooking healthy foods - Improve children's understanding of their own health and wellbeing 	Impact will be measured with a range of measures to include pupil interviews, feedback from staff and parents and lesson observations.
Sports Coach	Mondays and Tuesdays		£2800	Sports coaches will <ul style="list-style-type: none"> - Provide effective, hands on CPD for all teaching staff and support staff - Team teach alongside 	

				<p>teachers to upskill and improve confidence levels</p> <ul style="list-style-type: none"> - Share expertise in teaching a range of sports - Support teachers with planning future lessons
