

## Year 2 Homework Grid

Your homework activities for this term are on the grid below. You can choose to complete the activities in any order; most of the learning activities are linked to our current topic so you should already have lots of knowledge about the areas of study! Make sure that you ask someone at home to help you if you find any of the activities too tricky and always ask an adult to accompany you with any outdoor activities.

- ✓ Complete activities in your Homework book
- ✓ Complete at least one activity per week
- ✓ Remember you have the whole term to complete all tasks
- ✓ Homework folders are due back to school every Wednesday for your teacher to look at your work
- ✓ You will be set one activity page each week from the English CGP book and one from the maths CGP book (your teacher will let you know the page numbers)
- ✓ In addition to these activities, practice your spellings on a regular basis and try and find some time to read each day

**Additional Maths activity:** Feel free to also complete any of the additional Maths activities if you would like an extra challenge!

1. English	2. Mathematics	3. History	4. Computing	5. Geography																																																				
<div>Animal Reports</div> <p>In English, we are going to read lots of non-fiction texts about Sharks in preparation to write our own non-chronological report about them.</p> <p>We will research facts and assemble information to write our reports and finally write them with pictures and captions.</p> <p>Can you research and write your own report about a different animal? This may be several weeks of work, researching and assembling your information before finally writing it up into a report.</p> <div></div>	<div>Odds and Evens</div> <p>Are these statements always true, sometimes true or never true? Can you prove it with examples, diagrams or counter-examples?</p> <p>When you add two even numbers together the answer is even.</p> <p>When you add two odd numbers together the answer is odd.</p> <p>If you add an even number to an odd number, the answer is even.</p> <p>When you multiply by an odd number the answer is odd.</p> <p>When you multiply by an even number the answer is even.</p> <p>Doubling a number results in an even number.</p> <p>When you multiply a number by itself the answer is even.</p> <p>Adding three consecutive numbers results in an even number.</p>	<div>Morse Code Messages</div> <p>In History, we are going to study how messages have been sent throughout history and how technology has developed.</p> <p>One important way of sending messages is Morse Code, a simple way of encoding letters into dots and dashes.</p> <p>Can you write a secret message using Morse Code?</p> <p>Challenge: Can you decipher my message?</p> <div><p>..- . . . - / ..- . . . - / ... - . - - - / ... / .. - - / . - / ... - . . . . - - - - . .</p><p>..... - - - - . . - . -</p><table><tr><td>A</td><td>• —</td><td>N</td><td>• —</td></tr><tr><td>B</td><td>• — • —</td><td>O</td><td>• — • —</td></tr><tr><td>C</td><td>• — • — • —</td><td>P</td><td>• — • — • —</td></tr><tr><td>D</td><td>• — • — • —</td><td>Q</td><td>• — • — • —</td></tr><tr><td>E</td><td>• —</td><td>R</td><td>• — • — • —</td></tr><tr><td>F</td><td>• — • — • —</td><td>S</td><td>• — • — • —</td></tr><tr><td>G</td><td>• — • — • —</td><td>T</td><td>• —</td></tr><tr><td>H</td><td>• — • — • —</td><td>U</td><td>• — • —</td></tr><tr><td>I</td><td>• — • —</td><td>V</td><td>• — • — • —</td></tr><tr><td>J</td><td>• — • — • —</td><td>W</td><td>• — • — • —</td></tr><tr><td>K</td><td>• — • — • —</td><td>X</td><td>• — • — • —</td></tr><tr><td>L</td><td>• — • — • —</td><td>Y</td><td>• — • — • —</td></tr><tr><td>M</td><td>• — • — • —</td><td>Z</td><td>• — • — • —</td></tr></table></div>	A	• —	N	• —	B	• — • —	O	• — • —	C	• — • — • —	P	• — • — • —	D	• — • — • —	Q	• — • — • —	E	• —	R	• — • — • —	F	• — • — • —	S	• — • — • —	G	• — • — • —	T	• —	H	• — • — • —	U	• — • —	I	• — • —	V	• — • — • —	J	• — • — • —	W	• — • — • —	K	• — • — • —	X	• — • — • —	L	• — • — • —	Y	• — • — • —	M	• — • — • —	Z	• — • — • —	<div>Nature Photography Challenge</div> <p>In computing, we are looking at photography techniques and editing.</p> <p>Springtime in Hertfordshire is incredibly beautiful.</p> <p>When you are out and about, see if you can spot any beauty in nature. Use any device that can take photos to take the best photo you can.</p> <div></div>	<div>Still Life</div> <p>A still life drawing is a drawing of a small collection of objects, like a bowl of fruit or a pile of books.</p> <div></div> <p>Can you make a small pile of objects and draw it?</p> <div></div> <p>Look closely at the shapes of the objects and draw the whole picture from the same angle.</p>

## Year 2 Maths Home Learning Grid

### Additional Maths challenges

Write the short date and highlight when you complete a task.

Jo has these coins:

Fred has the same amount in 3 coins.

Which coins could he have?

Amy buys a drink for 80p, a cake for 70p and banana for 60p.

She pays with a £5 note.

What will her change be?

<input type="text"/>	62	9
30	30	<input type="text"/>
41	<input type="text"/>	51

The sum of each row and column is 100. Can you find all of the missing numbers?

The 3<sup>rd</sup> multiple of 2 is .

The 5<sup>th</sup> multiple of 10 is .

The 7<sup>th</sup> multiple of 5 is .

The  multiple of 5 is 25.

If  $10 + 10 + 10 + 10 = 40$ ,  
then   $\times 10 =$  .

If  $5 + 5 + 5 + 5 = 20$ ,  
then  $20 =$    $\times$  .

Which of the calculations match the cherry model?

$$\begin{aligned} 23 &= \square + 64 \\ 64 &= \square + 23 \\ 64 - 23 &= \square \\ 23 - \square &= 64 \end{aligned}$$

## Spellings

This is a list of the Year 1 and 2 Common Exception Words. These are words that are hard or impossible to spell phonetically, and we need to learn to spell them from memory without using the rules to help us. It would be helpful to practise spelling these words throughout the term to help with our writing.

a	love	he	after	could	kind	poor
are	me	there	again	door	last	pretty
ask	my	they	any	even	many	prove
be	no	to	bath	every	mind	should
by	of	today	beautiful	everybody	money	steak
come	once	was	because	eye	most	sugar
