The purpose of these guidelines is to support parents, carers and children in making decisions about what is appropriate in terms of how children present themselves in school. We hope that the guidance is clear and helpful.

(Optional) Fleeces

- Manland school fleeces can be purchased and worn in addition to a jumper or cardigan. The school fleece should not be worn instead of a jumper or cardigan, but as an extra layer in colder months.

Hair

- Long hair **must** be tied back and children are permitted to wear plain hair bands/ties in red, white, black or brown. Items such as glittery clips and flowers, fancy scarves, dangly hair ties are not appropriate.
- Hair should not be worn in any extreme style e.g. patterns cut into the hair, haircuts shorter than a 'number 2', extensions, Mohicans, spiked or gelled hair. Hair should not be coloured or dyed. The definition of an extreme hairstyle is at the discretion of the Headteacher.
- Hair dye is not permitted in school.

Jewellery

- The only jewellery (other than for religious reasons) permitted in school are single plain gold/silver stud earrings in the lower lobe. Watches may be worn, once children know how to tell the time. Smartwatches, step counters etc. are not permitted in school. We appreciate that on special occasions wrist bands may be appropriate e.g. on a charity fundraising day, however these should be restricted to such special occasions. Again the Headteacher will determine when it is appropriate for such bands to be worn.

Eyebrows

- Patterns should not be shaved into eyebrows

Makeup

- Nail varnish and make up must not be worn in school. Temporary tattoos are not permitted.
