

Manland Primary School

Charging and Remissions Policy

Purpose

We believe that all of our pupils should have an equal opportunity to benefit from school activities and visits (curricular and extra curricular) independent of their parents' financial means. This charging and remissions policy describes how we will do our best to ensure a good range of visits and activities is offered and, at the same time, try to minimise the financial barriers which may prevent some pupils taking full advantage of the opportunities.

What was consulted?

The policy has been informed by *A Guide to the Law for School Governors* and the DCSF guidance "*Planning and Funding Extended Schools*" and "*Charging for School Activities*" (January 2009).

Relationship to other school policies

The policy complements the school's equality policy, curriculum policy, educational visits policy and the teaching and learning policy.

Roles and responsibilities of headteacher, other staff, governors

The headteacher, staff and governors will ensure that the following applies:

1. No charges will be made for

- education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- education provided outside school hours if it is part of the National Curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of the school's basic curriculum for religious education

- tuition for pupils learning to play musical instruments (or singing) if the tuition is required as part of the National Curriculum
- education provided on any trip that takes place during school hours
- education provided on any trip that takes place outside school hours if it is part of the National Curriculum or part of the school's basic curriculum for religious education
- supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential trip
- transport provided in connection with an educational trip
- school clubs

The school does however recognise that limits on the school's budget mean that a voluntary contribution will be sought to cover the cost of activities/trips. Without such contributions trips will be unviable. However no child will be excluded from a trip if a voluntary contribution is not made. The Governing Body will monitor the cost to the school of school trips.

2. Activities for which charges may be made

a) Activities outside school hours

Non-residential activities (other than those listed in 1 above) which take place outside school hours, but only if the majority of the time spent on that activity takes place outside school hours (time spent on travel counts in this calculation if the travel itself occurs during school hours).

b) Residential activities

Board and lodging costs (but only those costs) of residential trips deemed to take place during school time. However, pupils whose parents are in receipt of certain benefits (see point 3 below) may not be charged for board and lodging costs. Residential trips deemed to take place outside school time (other than for those activities listed in 1 above).

Is a residential trip in or out of school time?

If the number of school sessions on a residential trip is equal to or greater than 50 percent of the number of half days spent on the trip it is deemed to have taken place during school hours (even if some activities take place late in the evening). Whatever the starting and finishing times of the school day, regulations require that the school day is divided into two sessions. A "half day" means any period of 12 hours ending with noon or midnight on any day.

c) Music tuition

Charges will be made as indicated in the table below. Parental agreement will be obtained before a charge is made.

Activities which can be charged for (with the exception of board and lodging for residential trips) are regarded as "optional extras". Charges will not exceed the actual cost (per pupil) of provision.

Activity or thing which will or may be charged for	Notes	Remission or other help available
Charges may be made for any	For example, a clay model – a charge	

materials, books, instruments, or equipment, where a parent wishes their child to own them	to cover the cost of the clay.	
Charges will be made for individual/group music tuition	The cost of teaching staff employed to provide tuition in playing a musical instrument or singing, where the tuition is an optional extra for an individual pupil or groups of up to four pupils	Remission to be sought where possible from LA
Charges will be made for the board and lodging component of residential trips	The charge will not exceed the actual cost	Remission as detailed in section 3 or School will liaise with local organisations where financial hardship occurs e.g. Harpenden Trust

3. Families qualifying for remission or help with charges

In order to remove financial barriers from disadvantaged pupils, the governing body has agreed that some activities and visits where charges can legally be made will be offered at no charge or a reduced charge to parents in particular circumstances. This remissions policy sets out the circumstances in which charges will be waived. If remission or help is available in relation to a particular charge it is indicated in the right hand column of the table above. Criteria for qualification for remission are given below.

Parents in receipt of

- Income Support
- Income-based Jobseekers Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, provided that Working Tax Credit is not also received and the family's income (as assessed by HM Revenue and Customs) does not exceed the sum given in the Revenue and Customs rules
- Guaranteed State Pension

Additional categories of parents may claim help with some costs in some circumstances. Parents/carers seeking such financial support should contact the Headteacher. Each case will be judged on individual circumstances.

4. Additional considerations

The governing body recognises its responsibility to ensure that the offer of activities and educational visits does not place an unnecessary burden on family finances. To this end we will try to adhere to the following guidelines:

- We have established a system for parents to pay in instalments
- When an opportunity for a trip arises at short notice it will be possible to arrange to pay by instalments beyond the date of the trip
- No trips will be organised on a 'first to pay secures a place' basis

Arrangements for monitoring and evaluation

The Resources Committee of the governing body will nominate one governor to monitor the impact of this policy and this governor will report to the committee. On

an annual basis this governor will view the financial outturns of those activities that resulted in charges being levied, the subsidies awarded (without giving names) and the source of those subsidies. It will seek to evaluate the impact of the school's extended services on those children most in need of additional support.
