FUNDRAISING NEWS

Chef Peking is tonight

If you've signed up for our evening of dining and dancing at Chef Peking, we'll see you tonight.

The plan is to arrive at 8pm, take our seats and then the waiters will serve a seemingly endless array of Chinese dishes. There'll be some music afterwards until 1.00am.

A full year for the HSA

We've been working on our calendar of activities and fund raising events for this year and we have a great line up.

March will see the return of the Manland Movie Night, where we show a film for infants and a film for juniors. We also have a second quiz night booked, following its successful launch last year. This will be on Friday 17th March and more news will follow on what we think will be one of our most popular nights of the year. It's not just a movie night for the children; there will also be a summer disco in May and an autumn disco later in the year in October. There's no music festival this year, but there will be a Summer Fete in June.

In autumn we're launching an exciting new fashion evening – one for the Mums although Dads will be welcome too. The stars of the show will be our line up of exciting guest speakers and the second part of the evening will include swishing, which, if you didn't know, is an opportunity to swap some of those pre-loved clothes that are just too good for jumble. We're still working out other plans for the evening, but they could include an auction or raffle and there will be a bar stocked with Prosecco and cocktails.

As usual, we'll be on hand providing refreshments at the school productions throughout the year and at sports day and district sports. There'll be ice creams during the summer months and July will also see the return of the sponsored walk.

We'll publish the full calendar of events next week.

A new way to 'Phil' the Bag

This year, we'll going to trail a new approach to 'Phil' the Bag, with more opportunities for you to bring unwanted textiles to the school. This will mean you don't have to fill up your house with unwanted 'stuff' We'll store it and when we have a big enough load, we'll call in "Phil" the Bag, who will distribute it to Africa, where your old textiles will receive a second lease of life. We'll publish full details of the collection days next week.

Rachel Bellman will be taking over 'Phil' The Bag on behalf of the HSA and Claire Wedderburn-Maxwell, who has done a sterling job, will be stepping back. Many thanks to Claire and to Rachel.
