

The logo for Allied Cycles is displayed in white text on a black rectangular background. The word "ALLIED" is in a bold, sans-serif font. The word "CYCLES" is also in a bold, sans-serif font, but the letter "C" is replaced by a stylized graphic of a bicycle gear and a chain link.

Allied Cycles LTD is a bike company that has been operating in Harpenden since 2011.

Our mechanics are fully qualified to work on all types and brands of bike.

We offer the full range of bike services, including:-

- A range of service options from a basic service to a full strip down, degrease and rebuild on adult and geared bikes - starting from £50 (not including parts)
- A range of service options from a basic service to a full strip down, degrease and rebuild on kids single speed bikes - starting from £35 (not including parts)
- Puncture repair
- Parts and fittings
- Repairs
- Full restoration
- Crash repair
- Custom bike builds
- Professional wheel building
- Cable replacement

Being Harpenden based we are looking to support Manland School and will be donating 10% of any labour costs from bike services booked when you mention code MAN1 when you call.

Please call Kevin Moxham on 01582 768827 or 07711 527339 to book a slot and to discuss the services available.
