foodbank Harvest Festival 2024

DONATE FOOD

Please help by donating an item or two from our shopping list to ensure we can provide food to help people in crisis.

HOW OUR FOODBANK WORKS

Step 1 Food is Donated

Non-perishable food is donated by schools, churches, businesses and individuals.

Step 2 Food is sorted and stored

Volunteers sort food to check that it's in date and store it ready for distribution.

Step 3 Professionals identify people in need

We work with a wide range of care professionals such as health visitors, social workers, police and Citizens Advice Bureau to identify people in crisis and issue them with a foodbank voucher.

Step 4 Clients receive food and further support

Clients bring their voucher to a foodbank centre where it can be redeemed for three days' emergency food. Volunteers take the time to listen to clients and signpost them to agencies able to help with their longer-term problem.

The types of item we need

St Albans & District Foodbank only works with non-perishable food items (tinned and dried goods), which do not spoil or decay. This means that neither the foodbank nor the recipient has to worry about storing the food in a fridge or freezer, and there is less likelihood of food going to waste. It also means that we can give each client a carefully designed food parcel that contains three days' worth of nutritionally-balanced food.

All items should be unopened, in date and in good condition. We are forbidden by law to give away food which has passed its "best before" date.

We also take non-food items such as toiletries, laundry, cleaning and sanitary products, as these are just as essential to the clients who come to us.
