New Year 2022 edition

• Edition no. 2 • 08 January 2022 •

Welcome back and Happy New Year!!

We hope all the children have had an enjoyable first few days back and aren't too tired already! Before we look forward to what 2022 has in store, we wanted to update you all on our Christmas fundraising. We were delighted to be able to reprise the Christmas Extravaganza in a Covid-safe environment throughout what became our final week of school. Thanks to your support and generosity, the Xmas activities raised over £3,300 for the school! We are assessing the current situation regarding Covid restrictions and will soon share with you our upcoming events and activities for this term.

In the meantime, if you have ideas for fundraisers, please speak to your HSA class rep or email hsamanland@gmail.com
Here's to a prosperous 2022!!
