Diary Dates

Dear Parents and Carers,

Year 6 thoroughly enjoyed their World War II day. We had the Victorian School in, and it was so fantastic to see all the children get involved and really enjoy the experience. This is the first workshop we've been able to run for quite a while and are so pleased it was such a success! Other year groups are planning trips or visitors also and we will let you know when they have been arranged.

Unfortunately, Covid cases are on the rise again within the school. We are continuing to do everything we can to keep these to a minimum. Please make sure you regularly check Classlist for up to date current government guidelines. We would like to draw your attention to a change in our bubble system. If a class goes into an 'outbreak' we will implement restriction and our 'outbreak management plan', where possible, for that class only. This will hopefully cause less disruption across the whole school. We will keep this under review depending on the number of positive cases across year groups.

I hope you all have a good weekend,
Best wishes,

Mrs. Wicks, Headteacher

Manland Value Award

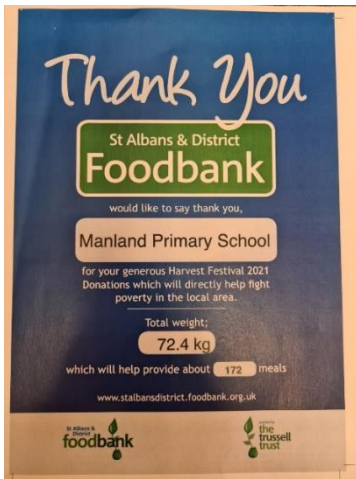

Virginia always strives to achieve her best in her learning and has high **aspirations** for what she can achieve. This has been exemplified through her enthusiasm for our monthly TTRockstars battle, where she has not only placed first in her house but in the whole school! She takes great pride in her achievement but is not boastful; she encourages and **inspires** her peers to join in and compete with her too.

IMPORTANT

THANK YOU!

Punctuality

We understand how busy and hectic school day mornings can be and we appreciate that all of our families do their best to arrive to school on time. We are noticing an increase in the number of children arriving late for school.

Children who are regularly late can find it extremely difficult to recover certain essential parts of their school day such as: settling down to get ready to learn, the lesson's introduction, important announcements, discussions, questions, explanations and the thinking that makes learning come alive and gets them ready for the rest of the day.

Please ensure your child arrives to school no later than 8.50am.

Another great month for Battle of the Bands. The MVPs for the month were –
