

# Making the most of

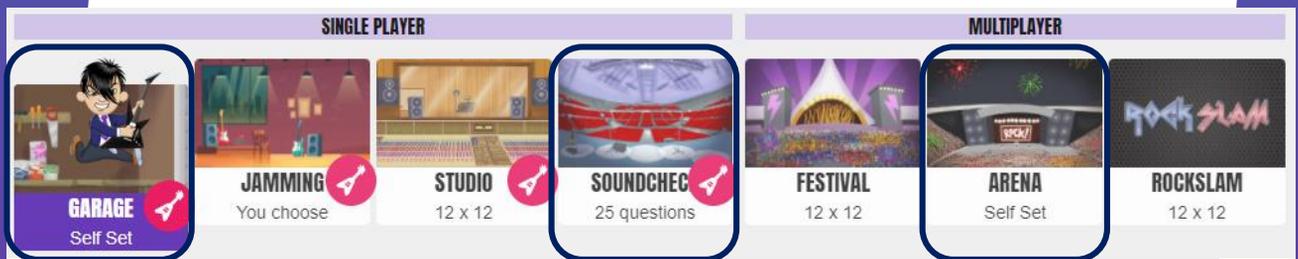

TTRockstars is a powerful tool to help motivate children to practise and learn their times tables.

Times tables and understanding of multiplication and division is a foundational skill for Mathematics and its understanding is hugely beneficial across the curriculum.

The three most useful modes in TTRockstars are:

- Garage
- Soundcheck
- Arena

When your child logs into TTRockstars, they will see these options across the top of the page.

Mode	What do you do?	Purpose	Coins Earned
Garage	Answer questions allocated by the teacher for 1, 2 or 3 minutes.	To practise times tables that your teacher has chosen for you.	10 per correct answer
Soundcheck	Answer 25 questions, with 6 seconds per question.	To practise times tables in the style of the Multiplication Tables Check.	5 per correct answer
Arena	Battle against your classmates to see who can answer the most questions in 1 minute.	To compete using the times tables that your teacher has chosen for you. The questions are individualised to the pupil which can level the playing field between children of different abilities.	1 per correct answer

## Try it yourself!

If you would like to log in to try out TTRockstars yourself, we have created parent accounts that you can try.

Navigate to the login page for Manland Primary School.

All the parents trial users have similar usernames and passwords.

The usernames are the word 'Parent' followed by a number between 1 and 60.

The passwords are MANLAND (in all capital letters).

## Customise your experience

If you would like to change the colour, font or other settings such as whether or not the timer displays for your child's account. These options can be changed in settings.

Click the 'Rock Star Name' in the top right hand corner.

Click the settings cog.

Scroll down and select the options you want.
