

Certificate of Appreciation

Rotary in Harpenden, working with Hereford Elgar Rotary Club, thank
the staff, students and parents of

Manland Primary School

for contributing **11** of the **175** Friendship Boxes for Ukraine you have
kindly filled in **2025**.

Under the auspices of Aid Ukraine, our fellow Rotarians in Lviv, Ukraine, will distribute the boxes in time for Christmas to multiple schools in the Sumy/Mykolaiv, Kharkiv, Lviv and Transcarpathian regions of Ukraine to support the children most affected by the war in their country.

They add that, in addition to bringing joy to the children, it also raises the morale of their troops serving on the front line when they can see that other people are helping to improve the welfare of their families.

For your most generous efforts in making this possible we thank you all
most sincerely.

For Rotary in Harpenden
