

Free Library Membership for Your Team – A Simple Way to Boost Wellbeing and Productivity

Did you know that Hertfordshire Libraries offer free membership to anyone who lives, works, or studies in Hertfordshire? Joining as a family opens the door to a world of learning, creativity, and connection – all at no cost.

Why join the whole family?

- Save money: borrow books, eBooks, and e-audiobooks instead of buying or paying for subscriptions.
- Enjoy more choice: thousands of titles for children and adults – from picture books to bestsellers – available to reserve from any library in the county.
- Expert help: our friendly staff can recommend great reads for every age and interest.
- Connect people: libraries are welcoming spaces with free Wi-Fi, events, community groups, and learning opportunities.

Why it matters for children and parents:

- Reading together builds confidence, creativity, and a love of learning.
- Libraries provide a calm, inclusive space for families to relax and explore.
- Shared reading time strengthens family bonds and supports wellbeing.

Your library is your place for...

Books, books books

Try a new genre, learn a new skill or read an old favourite - all without spending a penny

Events

Experience exciting art, culture and reading events for all ages, from Storytime to craft workshops

Digital magazines

Access your favourite magazines online, such as National Geographic and The Week Junior

Studying and Research

Access our Online Reference Library at home or in the library for study and research

E-books and E-audiobooks

Borrow free e-books and e-audiobooks straight to your phone or tablet

Clubs

Learn something new and meet new people at one of our regular clubs e.g. LEGO club and Page One

Take Action Today:

Those 18+ can sign up [online](#), or families can visit their local library. It's quick, easy, and completely free. For more information, visit us [online](#) or visit your local library.
