## Diary Dates

Date	Event
Monday 4th May 2026	<b>Bank Holiday</b>
Wednesday 6th May 2026	Y3 & Y4 Boys' District Football Rally (invitation only)
Monday 11th May – Thursday 14th May 2026	Y6 SATs week (Mon - Fri Year 6 Breakfast from 8.10am)
Friday 15th May 2026	Y6 Celebration afternoon

Dear Parents and Carers,

Another sunny couple of weeks have passed here at Manland, and we are full-swing into the summer term. There has been lots of fantastic learning going on as well as some lovely co-curricular experiences.

Last week our Year 5 & Year 6 classes got to visit SJJ to watch their performance of The Addams Family. Year 5 also got to visit All Saints to learn about the importance of our chalk streams (as we have one of only 200 chalk streams on the world)!

We've had some more sporting success, with our chess team winning the small school's trophy and some great examples of collaboration and mathematical thinking, with the Year 4 maths challenge!

It feels like we have all earned our extra day off, so I want to wish you an enjoyable and restful bank holiday weekend.

Best wishes,

*Mrs Wicks and Mr Comer, Co-Headteachers*

## Manland Values Award

Molly is a lovely member of Year 5. She works methodically and always to the best of her ability; she asks careful questions to check her understanding to ensure her answers are accurate. It goes without saying that her manners are exemplary. It is for these reasons that Molly is an excellent role model to those around her.

Molly's sunny disposition means she is great company! Her gentle demeanour sees her as a good friend to all (not just to those in her year group), often putting others before herself. Molly's positive outlook means she's always willing to offer a helping hand - I certainly appreciated her help when planting daffodils this spring! Molly is willing to take on any task - big or small - and I know she'll complete it to the best of her ability. Well done Molly.

## Manland Values Award

Hayden arrives each morning with a positive attitude and a real enthusiasm for learning. He eagerly shares ideas, embraces new challenges, and consistently demonstrate the Manland Values through kindness, respect, and consideration for others. Hayden is determined to do his best, regularly reviewing and improving his work, and has worked increasingly hard to improve his presentation. His confidence and friendly nature helps create a supportive and happy classroom environment, and he shows excellent focus and behaviour throughout the day.

It has been a privilege to teach Hayden. His progress and growing confidence this year has been fantastic to see. He shows great respect to both staff and peers and truly deserves to win the Manland Cup. Well done to Hayden!

### Safeguarding

We have a **Safeguarding Team** in school. If you ever have a concern about a child, please speak to: Mrs Wicks, Mr Comer, Miss Noonan or Mrs Kemp or email them at [safeguarding@manland.herts.sch.uk](mailto:safeguarding@manland.herts.sch.uk)

**MOMENTS  
MATTER,  
ATTENDANCE  
COUNTS.**

### Attendance

Our whole school attendance for the last two weeks is **98.2%**  
Keep it up everyone!

**Manland hall for hire!**  
The hall at Manland School is available for hire for family birthday parties on weekends. Please contact the school office if you are interested.

### The Big Walk and Wheel

Walk/Wheel Cycle Trust Headline sponsor SCHWALBE

The **Big Walk and Wheel** is the UK's biggest inter-school walking, wheeling, scooting and cycling challenge! Well done to everyone who took part and to Mr Winchester for coordinating the event.

Manland has achieved:

- 1377 total big walk and wheel journeys
- 71% rate of walk/wheel journeys
- 148<sup>th</sup> out of over 1100 schools
- We beat last year's total by **38 journeys!**

### Walk to School Week 2026

We're excited to announce the date for this year's Walk to School Week 2026! This year, our five-day challenge takes place between **18 and 22 May 2026**. Pupils will be encouraged to walk, wheel, cycle, scoot or Park and Stride to school every day of the week.

# Spotlight on Design and Technology

As part of their D&T topic, Year 2 have been making their own perfect pizzas! Children have been learning about where our food comes from, different food groups (carbohydrates, protein, dairy and vegetables), whether our food is animal or plant-based and which food choices are healthy. They had such great fun choosing their ingredients to create a balanced pizza plate. Some children piled it high and included everything, whilst others kept it simple! Ingredients included: mozzarella, pepperoni, ham, sweetcorn, spinach, black olives, tomatoes, mushrooms and red onion - oh and of course ... pineapple!

What do you think makes the perfect pizza?

# Spotlight on Geography

Last week, Year 5 visited All Saints Church to explore the art installation 'Watershed' to learn all about chalk streams and particularly the River Lea and River Ver and the pollution challenges plaguing them. There was an installation by artist collective Cross Arts Projects (XAP) to show how vital and vulnerable our waterways are. The children did various activities to create their own art using natural resources. Mrs Kemp was impressed by the children's enthusiasm and thoughtful responses throughout the activities while they were working with the artists. Their creativity shone through in their poetry writing, where they wrote about the human impact on rivers. Their conduct throughout the morning was exemplary, we are extremely proud of them.

## Smartphone Free Childhood

Manland Primary supports the Smartphone Free Childhood campaign and pupils at **Manland are not permitted** to bring smartphones into school. If parents and carers feel their child needs a mobile phone for safety reasons, consider a phone without internet connectivity, such as a Nokia 3210. If you think you have an exceptional circumstance for why your child needs a smartphone in school, e.g. an electronic bus pass on their phone, please arrange a meeting with the school to discuss. For further information, please see: <https://manland.herts.sch.uk/key-information/safeguarding/information-and-updates-for-parents/>

### Smartphones have reshaped childhood

Smartphones weren't designed with kids in mind – but they've reshaped childhood almost overnight. In the UK, 89% of 12-year-olds now own one, and so do a quarter of children aged 5 to 7. On average, kids get their first smartphone aged nine.<sup>[1] [SEP]</sup>

Instead of growing up slowly, children are being pulled into a digital world built to keep them hooked. The impact on their development, mental health and relationships runs deep – and we can't afford to look away any longer.

### It starts by delaying, together

Smartphones are the gateway to social media and the Wild West of the internet.

If children don't have 24/7 access in their pockets, everything changes.

The longer we wait to give our children smartphones, the more time they have to learn, grow and develop away from addictive algorithms and the anxiety machine of social media.

**That's why we say delay, delay, delay.**

### Child-friendly alternatives

If you've decided to hold off on a smartphone for now, you're far from alone. But finding the right alternative that works for your child isn't always easy.

That's why we've put together this guide to the best child-friendly 'non-smart' phone options out there: simple phones, follow-on phones for older kids, GPS trackers, data-free SIMs, and more.

The good news? Whatever your child's age and stage, there are plenty of safer options that keep them connected – without opening the door to addictive apps, algorithms, and online risks.

## Pupil News

Ernest (Year 5) and Otto (Year 3) completed another Audax ride last weekend—the Tribute to Johnson & Matthey Randonnée.

It was a fantastic 58km route across Berkshire, taking them along quiet roads and country lanes through the foothills of the beautiful Chilterns, before returning via the Johnson Matthey Technology Centre at Sonning Common. They both really enjoyed the experience and were very proud to complete it.

## Chess Winners!!

We won!!! A great effort from Oscar, William, Henry, Saeed, Casey and Daniel on winning the Small Schools Cup at the KS2 Harpenden District Chess Jamboree.

Well done!

## **PGL Kids' Camps**

Many of you will know PGL from school trips. They also run holiday camps for children aged 8–16, offering a range of outdoor activities that build confidence, teamwork, and independence.

As part of our school community, families can receive 30% off PGL Multi-Activity Kids' Camps during May half term, summer, or October half term (book by 31st May, travel by 31 October 2026).

For full details and to claim the discount, please visit [www.evolveadvice.co.uk/loyaltylocker-pglkidsamps](http://www.evolveadvice.co.uk/loyaltylocker-pglkidsamps)

The offer also applies to UK Family Adventure breaks.

## **Young carers offer**

From Wednesday 1st April 2026, Hertfordshire County Council is delivering young carers support in-house, bringing this vital service fully within council provision following the end of the contract with Carers in Hertfordshire.

This change strengthens the council's commitment to young carers by embedding support directly into council services and supporting closer partnership working across Hertfordshire.

Support for adult carers continues to be delivered by Carers in Hertfordshire, with no change to that service.

A new Young Carers webpage has been developed in collaboration with young carers and their families. It includes information about available support, team contact details, and a day in the life of form to register a young carer online so they can access the support they need: <https://www.hertfordshire.gov.uk/services/adult-social-services/carers/young-carers/young-carers-in-hertfordshire.aspx>

All registered young carers have been contacted directly to welcome them to the new service and share updated contact details and information on how to access support.

MESSAGE  
SENT BY:

## Water Safety

This message is being sent on behalf of Hertfordshire Fire and Rescue Service.

### Keeping safe around water – Be Water Aware

Activities in or around water can be a fun pastime, especially during warmer months. In Hertfordshire we have a number of lakes, rivers and reservoirs. Around half accidental drownings happen to people who didn't intend to go into the water.

Between 2000 and 2025 HFRS have attended 120 water related incidents. The majority of inland water fatalities occur whilst taking part in walking, running, swimming or jumping in. Twenty-one lives were tragically claimed during this period.

#### It's important to know how to stay safe:

1. Keep your phone charged so you can call 999 if you need help.
2. Keep clear of the water's edge - riverbanks can be unstable after very wet or very hot weather.
3. Follow the proper pathways – they're much safer.
4. Avoid unlit routes near water at night and plan a safer path away from the water.
5. A location app on your phone (like what3words) can help emergency services know your location.

#### If someone gets in in trouble in the water

If you come across someone, in trouble in the water here's what to do.

- **Phone** 999 straight away to get help. Ask for the fire service – **never** enter the water to attempt a rescue.
- Tell the person to stay calm and **float** on their back.
- **Throw** something that floats - if it is safe to do so.

**We are also encouraging pubs and entertainment venues near water to undertake our training on how to use a throwline.** It could save someone's life! To find out more, go to [cpd.customerservices@hertfordshire.gov.uk](mailto:cpd.customerservices@hertfordshire.gov.uk)
